

NILS Science and Sustainability

The Programme contributes towards the objective of “Enhanced human capital and knowledge base in Spain” by improving and deepening academic and research collaboration, promoting scientific research on strategic fields for Human Wellbeing and Earth Sustainability.

Objectives:

- To enhance human capital and knowledge
- To increase higher education student and staff mobility between Beneficiary and EEA EFTA States.
- To increase and strengthen institutional cooperation at all levels of the education sector between Spain and donor countries.

Outcomes:

- To promote effectively mobility programmes among institutions and beneficiaries selected on a competitive basis.
- To identify and implement joint projects by partner institutions.
- To implement mobility programme for institutional cooperation.

Programme Operator: Complutense University of Madrid

Donor Programme Partners: Norwegian Centre for International Cooperation in Higher Education, Islandic centre for Research (RANNIS) and National Agency for International Education Affairs of Liechtenstein (AIBA).

Programme Grant: 3,9 million
